

# Stout Student Association Spring 2022 Election Results

The results for the Spring 2022 Stout Student Association Election have been tabulated by the Clerk of Elections Devin Dumke in collaboration with the Stout Student Association Advisor Darrin Witucki. In this election, **259** votes were cast, with **251** of them eligible to be counted.

The top vote getter for each category is the first individual eligible to claim the position. If the top vote getter does not claim the position within the prescribed timeline, then the next highest vote getter is offered to claim the position. As per the rules of the Spring 2022 Stout Student Association election, candidates must have received at least 3 votes to claim a position.

“Write In Candidate” refers to a candidate who was not on the ballot but written in by eligible voters. To respect the privacy of individuals who did not wish to have their names present on the ballot or be involved in the Spring 2022 election, their names have not been listed. Any candidate who accepted a position, however, will have their name listed.

“Ineligible Votes” refers to a vote cast by a voter that did not comply with the instructions presented. The most common reason for an ineligible vote was a vote cast for an individual that was not a student at UW-Stout.

Below is a list of the successful candidates for each position.
