

UW-STOUT Green FEE

THINK OF AN IDEA

Students, faculty, and staff come up with sustainability project ideas that benefit students anytime throughout the year.

SUBMIT IT

Students, faculty, and staff submit their ideas to the SSA Sustainability Director during fall and spring semesters.

OR

JOIN THE GROUP

Students can join the SSA Sustainability Council to help decide on sustainability projects.

& RECOMMEND PROJECTS

SSA Sustainability Council meets weekly during the school year to discuss potential projects and decide on which projects to fund. They recommend projects to be funded each semester; up to \$35,000 - \$40,000 per semester.

SSA WEIGHS IN

SSA looks at all of the project submission and approves or denies at the end of each semester.

LET'S MAKE IT HAPPEN

Sustainability projects are implemented across campus.
