

Title: Creation of an Off-Campus Housing Ad-Hoc Committee

Whereas, the University Student Senate is considering several off-campus housing website proposals;

Whereas, to give proper consideration to all options, the University Student Senate believes the matter should be referred to committee;

Be it therefore resolved, we, the U.S.S. of the S.S.A., create the Off-Campus Housing Ad-Hoc Committee with the following charges:

1. The Committee shall be chaired by the Vice President of the Stout Student Association.
2. The Committee membership and meeting times shall be chosen by the Vice President.
3. The Committee shall communicate with CampusGroups and Rent College Pads to develop drafts of the contracts that would be in place during a partnership.
4. The Committee shall work to develop terms of service that would establish rules for landlords using our chosen housing solution, which must include protections against discrimination not already provided for by law.
5. The Committee shall meet until a decision is reached on which site to use as our official off campus housing website.

Be it therefore resolved, this motion be distributed to Advisor Lee, Advisor Witucki, and Stoutonia.
