

Title: Hydroponic System in the Greenhouse

Whereas, the Natural Areas Club has proposed a project to put a hydroponics system in the greenhouse at Stout as a club event;

Whereas, this project would need funding for the materials to build the system;

Whereas, the Natural Areas Club has completed plans approved by the Greenhouse staff;

Whereas, the Natural Areas Club is requesting \$650.00 from the Green Fee to purchase the materials needed for the hydroponics system;

Whereas, after the project is completed by the Natural Areas Club the hydroponics system will be accessible to all students;

Whereas, the Sustainability Council has discussed and passed the recommendation for this allocation;

Be it therefore resolved, we, the U.S.S. of the S.S.A. approve the allocation of \$650.00 from the Green Fee to the Green Fee Award account for the implementation of a hydroponics system in the greenhouse by the Natural Areas Club.

Be it further resolved, this motion be distributed to Noah Edlin, Sarah Stein, Dr. Keith Gilland, Sara Rykal, Dhani Cole.
