

Officer Transition:

INCOMING OFFICER QUESTIONS

What do you perceive to be your organization's objectives or goals?

What do you consider to be the responsibilities of your position?

What expectations do you have of the executive council/board?

What essential things (forms, duties, etc.) specific to the position do you want to know about?

What things should you do over the summer?

Write down one specific problem you anticipate you will encounter during your term.

What are some other questions you want answered?
