SAMUEL E. WOOD MEDALLION

In 1958, the Stout Student Association (SSA) created an award to be given to students for non-academic contributions to the school. The 21st Congress in 1991 unanimously passed a resolution to dedicate the Medallion Award to Samuel E. Wood, Assistant Chancellor of Student Services, for his services to the SSA, the Greek Community, and the students of the University of Wisconsin-Stout. The Medallion Award is given to less than one percent of the full-time enrollment of Stout. The award winners receive their medallions at the annual Leadership Awards Reception.

The Samuel E. Wood Medallion Award, a bronze medallion three inches in diameter and bearing a relief of the Bowman Hall tower, the name of Stout, and the motto "Learning, Skill, Industry and Honor" is presented annually to seniors who have shown outstanding leadership in their student activities.

A committee composed of faculty, staff and students makes the selection. To those seniors who receive it, it brings prestige and honor, as it is the highest non-academic award any student at UW-Stout can achieve.

CONGRATULATIONS TO OUR 2020 SAMUEL E. WOOD MEDALLION RECIPIENTS!
