

1     **Title:** Resolution for Dining Services to implement Sustainable and Diverse Foods

2

3     **Whereas,** The University of Wisconsin – Stout prides itself on its sustainability practices and  
4 is constantly pursuing ways to further reduce the climate impact of the campus;

5

6     **Whereas,** University Dining Services (UDS) is open to student suggestions on how to improve  
7 their services that they provide on campus;

8

9     **Whereas,** a group of sustainability minded students have done substantial research on ways  
10 that UDS can implement more sustainable food options;

11

12     **Whereas,** in addition to the research on sustainable food options, they have prioritized  
13 increasing vegan, vegetarian, gluten free, and culturally diverse options;

14

15     **Whereas,** in their research, these students have found that the options for vegan,  
16 vegetarian, gluten free, and culturally diverse food options are somewhat lacking on  
17 campus;

18

19     **Whereas,** by purchasing more sustainable food options and increasing the options for  
20 vegan, vegetarian, gluten free, and culturally diverse foods, UDS can better serve the  
21 students of UW-Stout and further reduce their carbon footprint;

22

23     **Whereas,** Sustainability Council of the U.S.S of the S.S.A has discussed and approved this  
24 resolution;

25

26     **Whereas,** Referencing the recommendation put forth from the UDS Food Assessment &  
27 Recommendations and UDS Assessment – Comparison Spreadsheet – documents;

28

29     **Be it therefore resolved,** we the U.S.S of the S.S.A, request that University Dining Services  
30 work to implement the changes suggested by this group of students.

31

32     **Be it further resolved,** this motion shall be distributed to UDS Director Justin Krahn, Sarah  
33 Rykal, Noah Edlin, and Abrina Leonhard.
